## **CSMSC Welcomes New Associate Members!**

Like all of our out of area members, Jane Nielson has been showing dogs for several years and has traveled here to Colorado for many dog shows. She is from Utah and loves what our club is about. Some of you may remember her from the 2 day grooming seminar we did a year ago. Welcome to the Club Jane!

After joining us for the second year in a row at our gathering after our Specialty Show, Carolyn and Steve Wood decide they wanted to support all the community out reach and events we do by applying for associate membership. Although they love schnauzers they are currently showing Maltese. They currently have one of the top dogs in the country. They always show up ringside when they are in Colorado to cheer on the local schnauzer presenters. Welcome aboard!

### **31 Schnauzers, 46 People: Life is Good!**

CSMSC's annual picnic was well attended by dogs and people alike. I mean how can the day go wrong when you are surrounded by 31 Schnauzers and their peeps?

There were x-pens everywhere surrounded by lawn chairs. I could overhear snippets of conversations; "My dog is so cute when...", "I think they like each other." "Of course they like each other, they are liter mates!"

People and their buddies, played the doggie rally race. It was fun watching some of the dogs going through the tunnel for the first time. One of the little ones, Oreo, thought it was great fun to stop in the middle and look at her owner who was trying to coax her out the other end.

People brought all kinds of food to share and Bob Riley manned the grill cooking hot dogs and burgers. There was also a Ladder Ball game, thanks to the workmanship of Bob Alex. Celeste Abell ran the game and we were able to raise \$55 dollars for the rescue efforts of Susan Lummanick.

All in all a very good day.

### **Breeder Referral**

### **Looking For Love**

**JayJay** was found running as a stray, so we don't know much about his background. We are estimating his age at between 1 and 3 years old. He loves to play and run around in the fenced yard. He doesn't much like being in his crate. He gets along well with most other dogs, although he is food aggressive toward other dogs. JayJay likes attention from his people, and he did well at the groomers. As you can see from his pictures, JayJay is a beautiful dog, well built and muscular.

If you would like more information, contact Susan for an adoption application. Phone number; 720-320-2413, E-mail [sblummanick@aol.com](mailto:sblummanick@aol.com) or visit <http://www.allbreedrescuenetwork.com/Available-Dogs.php>.

### **What is the Canine Good Citizen Program?**

The Canine Good Citizen Program is a two-part program that stresses responsible pet ownership for owners and basic good manners for dogs. All dogs who pass the 10-step CGC test may receive a certificate from the American Kennel Club. To learn more go to: <http://www.akc.org/events/cgc/program.cfm>

## Happy Birthday and Best Wishes! By Jude Wrynski

### Laugh of the Month: by Jude Wrynski

A restaurant posts a sign that says "\$500 if we fail to fill your order." A customer decides to put it to the test by ordering "elephant ears on rye." The waitress writes down his order and walks to the kitchen. Seconds later, the chef storms out of the kitchen, goes to the customer's table, and slams down a five hundred-dollar bills. "You got me" he tells the customer," But I want you to know that this is the first time in ten years we've been out of rye bread."
