## The Importance of Puppy Classes

It isn't just about sit, stay and down. When most people think of taking a puppy to class they think of obedience training and certainly training the basics early in a puppy's life is important. Even more important is exposing the pup to new things, places, people and other dogs. Whether your pup is your best friend or your next show dog, they are more likely to be comfortable in new places and with new people if you get them out while they young.

For the past eight weeks club members Mary Mcardle and Linda Knilans along with Artie, Paige and Jackie have been taking their mini schnauzer puppies to puppy Kindergarten. Their pups learned some basic commands, but also learned to walk over different surfaces, walk up ramps, go through tunnels, greet dogs of all shapes and sizes, and that new people are fun to meet.

*Breeder  
Referral*

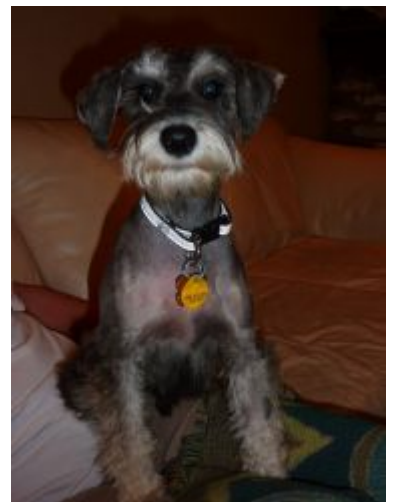

## Breeder Referral

If you are a member and have puppies or an older mini you are looking to forever home, or if you are looking for a mini to brighten your life, contact the clubs breeder referral person, Nora Plomondon at [artpro628@comcast.net](mailto:artpro628@comcast.net).

## Looking For Love

Hi! My name is Moe and I am looking for someone to take me in and love me forever. I had a tough start in life. I was born in a trailer where my Mom lived with 14 other dogs! It was something called hoarding. I didn't get very much attention or love, and food was hard to come by unless you moved really fast. Some nice people came and took care of me and got me into rescue. Things have been looking up.

If you would like to meet me, go to <http://www.cominischanuzerrescue.com/> and click on adoption process. You can complete the adoption application and either email it to [sblummanick@aol.com](mailto:sblummanick@aol.com) or fax it to the number on the application.

## **Buddy Recipes**

**What is your favorite recipe?**

### **Low Calorie Food**

Is your pooch a little over weight?

Replace those starch filled fatty store bought treats with fresh or thawed frozen green beans. They are low fat, will fill your pup up and she will gobble them up. Other healthy choices are raw carrots, green peppers and zucchini.

## **OCTOBER BIRTHDAYS**

**Happy Birthday and Best Wishes!**

No October birthdays.

**Laugh of the Month:** by Jude Wrynski

A businessman flying first class next to a parrot. The plane takes the parrot orders a Glenlivet, neat. The businessman asks for a Coke. After a few minutes, the bird yells, "Where's my Scotch" The flight attendant rushes over with their drinks. Later, they order another round. Again, the bird gives the crew grief for being slow, and the businessman joins in: "Yeah, the service stinks!" Just then, the flight attendant grabs the pair, and opens the hatch, and throws them out of the plane. As they hurtle toward the ground, the parrot says to the terrified man, "Wow, that took a lot of guts for a guy with no wings."
